Bigger than it looks! This rare, vintage home features a flexible floor plan with four bedrooms AND an office/craft room, updated kitchen and baths, two living areas, sunny dining/breakfast space, stainless appliances, Saltillo tile and fresh paint throughout, hardwood floors in two bedrooms, and new HVAC (2017). Step out to a spacious screened-in patio that leads to a privacy fenced lot with workshop, crushed granite walkways and fresh landscaping with a patio perfect for relaxing or entertaining. Quiet, peaceful neighborhood in a fantastic location close to downtown and several nearby schools.
